A – She’s ...

<p>A</p> <p>I’m in a restaurant. There are some tables with food on them, and some people are having dinner. They’re wearing elegant clothes. In the corner there’s a small orchestra. It’s playing classical music, but the people aren’t listening to it. What’s happening? The floor’s moving!</p>	<p>B</p> <p>I’m under a big building. There are a lot of rooms here. There’s a lion in one room. It’s looking at me. I think there’s a man in the next room. I can see him now. He’s a gladiator! I’m outside now. What’s happening? People are running. There’s black smoke everywhere. There isn’t any air. I can’t breathe!</p>	<p>C</p> <p>I’m in an old city. There aren’t any people in the street. It’s very dark – there isn’t a moon tonight. There’s a large object in the square. I can’t see it very well, but there’s a door in it. The door’s opening. It’s an enormous wooden horse. Help!</p>
