### **“TRANSCRIPT”**

**Je – Jess    Ja – Jack    G – Grandad    M – Mum**

**Je** Jack? Can I ask you some questions for my homework?

**Ja** OK.

**Je** It's about electricity. What three electrical appliances can't you live without?

**Ja** My computer ... the TV, ... and my mobile.

**Je** OK. How much time do you spend watching TV?

**Ja** Not much. Maybe two hours a day.

**Je** And on the Internet?

**Ja** I don't spend much time on the Net, either. Maybe an hour a day.

**Je** And how many phone calls do you make?

**Ja** Not many, but I send a lot of text messages.

**Je** Grandad. What three electrical appliances can't you live without?

**G** I can't live without the microwave.

**Je** Really?

**G** The greatest invention of all time! Then there's the remote control.

**Je** Is the remote control the second thing?

**G** Yes.

**Je** How often do you use the microwave?

**G** A lot. I use it every day for cooking, making hot drinks ...

**Je** And a third thing?

**G** My electric razor.

**Je** Mum?

**M** Well, I certainly can't live without the computer! And the dishwasher.

**Je** Boring.

**M** Really? And how often do you wash the dishes?

**Je** Never.

**M** Exactly.

**Je** And a third thing?

**M** Lights.

**Je** Lights!

**M** Yes, lights. How many other people said lights?

**Je** None. You're the first. But we really can't live without them.
