Hi Max. I'm at the shopping centre. The celebrity, Chelsea Ritz, is here. Yes! She's wearing big sunglasses and a hat, but it's definitely her. I'm taking some great photos for the magazine.

She's going into a florist's. Very interesting. Who's she buying those flowers for? She's waiting to pay. Two girls are asking her for an autograph. They're really excited. Other people are looking. She's signing an autograph for them, but asking them to be quiet.

She's talking on her mobile. Who's she talking to? Now she's going into a department store. We're walking through the clothes department, but she isn't stopping to look at things. She's walking to the escalator. Where are we going?

She's meeting someone in the café! This is a big story, Max! She's sitting down. Who's that at the table? I can't see, but she's giving him or her the flowers. Is it a man? It's ... a woman. It's her mother! Uh oh! They're looking at me. They know I'm taking photos! Chelsea's coming this way with a glass of water in her hand. Time to go ...
