**S** – Shira **F** – Fay  
**S** Hi. How was your summer? Did you go anywhere?  
**F** Yeah, I went to London. My sister and I went to stay with my aunt and uncle for a month.  
**S** What's it like?  
**F** It's great, really different from here, more cosmopolitan and more exciting. We went to some touristy places and we went shopping too.  
**S** What are the shops like?  
**F** Well, we went to the boutiques on Oxford Street, but they were expensive. The best places to go shopping are the markets. I loved Camden Market on Sundays. The clothes there are cheaper and really cool.  
**S** What else did you do?  
**F** Well, we went to Hyde Park – that's the biggest park in London. It's really peaceful, especially during the week. And we went to some museums, like the Natural History Museum. It's got this funny hippopotamus.  
**S** Did you go on the underground?  
**F** Yeah, but it's really crowded in the rush hour so we got the bus most of the time. It's slower but it's nicer because you can see places as you're going along.  
**S** What are the people like?  
**F** Well, no one really talks to you, everybody does their own thing. Madeley's smaller, so the people here are nicer. In London people are more reserved. But the best thing about London is that you never get bored. I hope I can go back again next year.
